

Theresa
STEHLY
City Council

You are the reason I serve on the Sioux Falls City Council and why I am seeking re-election this year. These four years have been a wonderful journey with you, the people of Sioux Falls. I want to keep working hard for your best interests.

Your concerns, are my concerns because you have asked me to help you:

Protecting your tax dollars with responsible solutions in questioning expenditures: fighting to lower your tax burden, spending the 2nd penny on necessities such as streets and important infrastructure.

Streets and Transportation are not an afterthought with me: pushing for ***pothole repair***, responsible ***street policy*** and ***transit issues*** including busses and routing.

Transparency is not a campaign issue with me: worked to open up the ***Events Center Task Force*** to the public, protected the ***public's right to speak*** at all city meetings, kept in touch with you by mailing the yearly ***Stehly Report*** and posting a regular update in the Shopping News while continuing to have citizen Meet & Greets around town.

Reducing citizen and business burdens through responsible changes to ***Project Trim***, working with Garbage Haulers to improve ***recycling programs***, ***traffic concerns***, ***zoning restrictions*** and ***regulations***.

Protecting neighborhoods to ensure changes to do not cause hardships on current residents by jeopardizing traffic, pedestrian safety and property values.
